

PLEDGE FORM FOR BUILDING FUND

Dear Devotees:

In order to begin the building extension construction, it is vital that we be have financial commitments to cover the cost of the work. While the Trustees are pursuing opportunities from government grants and bank financing, it is also necessary for the congregation to come forward and make pledges. May I request each member and friend to consider a pledge of \$3,000 over a period of 5 years?

Let us make our commitment on the holy occasion of Swami Vivekananda's 150th birth anniversary. If we can get sufficient commitment, we want to begin work on Sri Ramakrishna's birth anniversary on March 13, 2013.

Swamiji started the Ramakrishna Mission with the ideal "atmano mokshartham jagat hitaya ca" – for one's own spiritual liberation and for the good of the world. This is exactly what the Vedanta Society stands for. The building expansion will allow us to carry on our work of providing a spiritual sanctuary and of serving the community.

Whatever amount you are able to contribute, please know that you have my gratitude and I pray that Sri Ramakrishna, Holy Mother and Swamiji bless you and guide you to your spiritual destiny!

Swami Kripamayanda
